

WHOA! HORSEMEN!

It's time to join Wind River Back Country Horsemen of America!

The mission of WRBCHA:

1. To work with the Forest Service and BLM as partners to shape policies which will insure the continued use of pack and saddle stock on our public lands.
2. To perform volunteer trail and trailhead maintenance.
3. To educate all horsemen to become better and wiser back country users.

Several service projects are planned for the summer of 2013, including assistance on the trailhead being constructed by the BLM at Johnny-Behind-the-Rocks. Large equipment will be brought in for work beginning in early May. Soon after that, we may be called in to assist in other work. In addition, continued clearing on the CDT trail on Pine Creek remains. This won't be possible until late June. Finally, there are some signs to be put up on the Ramshorn Trail in August. Watch for notification of other activities and rides – we will post them in the minutes or notify by e-mail.

We need your help to keep our organization strong. Please renew or join the Wind River Back Country Horsemen of America. We meet on the first Tuesday of the month at 7:00 pm in the Hudson Town Hall.
